Introduction

This pack aims to provide information for tenants about services in Mapperley and Sherwood

You can find more information in Nottingham City Council's award winning Services Directory, which provides you with a handy A-Z list and a full run down of Nottingham City Council services.

You can also find out more about your area on the 'residents' section of the Nottingham City Council website by visiting www.nottinghamcity.gov.uk/residents

Area Committee

The Area Committees enable ward councillors, along with local residents and other stakeholders, to influence what happens in each area either through direct decision making – such as allocating an annual capital budget – or being consulted on matters that affect the area – such as schools reorganisation.

The Mapperley and Sherwood Area Committee meetings are usually held at 5.30pm in The Council House. You can find out the dates of the meetings by contacting the Area Committee Chair.

Councillors

Councillors provide a vital link between the Council and local communities.

On a daily basis Councillors are involved in the local neighbourhoods they represent and they hold regular surgeries where local people can contact them with their needs, problems or concerns. Apart from representing local views and opinions, Councillors play a key role in making collective decisions on issues that affect the whole Council.
