Important notes

Not applicable to part C of the Motor Module

Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- check your personal data against counter fraud systems
- use your information to search against various publicly available and third party resources
- use industry fraud tools including undertaking credit searches and to review your claims history
- share information about you with other organisations including but not limited to the police, the Insurance Fraud Bureau (IFB), other insurers and other interested parties.

If you provide false or inaccurate information and fraud is identified, the matter will be investigated and appropriate action taken. This may result in your case being referred to the Insurance Fraud Enforcement Department (IFED) or other police forces and fraud prevention agencies. You may face fines or criminal prosecution. In addition, Zurich may register your name on the Insurance Fraud Register, an industry-wide fraud database.

Claims history

We may pass information relating to claims or potential claims to the Claims and Underwriting Exchange Register (CUE) and the Motor Insurance Anti-Fraud and Theft Register (MIAFTR), where the data is controlled by the Motor Insurers' Bureau, and other relevant databases.

We and other insurers may search these databases when you apply for insurance, when claims or potential claims are notified to us or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Employers' Liability Tracing Office (ELTO)

We are members of the Employers' Liability Tracing Office (ELTO), an independent industry body who maintains a centralised database that helps those who have suffered injury or disease in the workplace to identify the relevant Employers' Liability insurer quickly and efficiently.

It is important, for the services of ELTO to be fully effective, that you inform us of your ERN (Employer Reference Number also known as the Employer PAYE reference) and all subsidiary company names and their ERNs if applicable.

As members of ELTO we will forward details of your policy if it contains Employers' Liability cover to ELTO together with details of any ERNs you have supplied to us.

Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- a) electronic licensing;
- b) continuous insurance enforcement;
- c) law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
- d) the provision of government services or other services aimed at reducing the level and incidence of uninsured driving.

If a vehicle of yours is involved in a road traffic accident (either in the United Kingdom, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds correct registration numbers for your vehicles. If incorrect details for any of your vehicles are shown on the MID you are at risk of having the relevant vehicle seized by the police. You can check that correct registration number details for your vehicles are shown on the MID at www.askmid.com.

 - 1) as soon as reasonably possible give notice to the **insurer**; and
 - 2) preserve any damaged or defective property for examination by the **insurer's** representatives unless the **insurer** has authorised the **insured** to dispose of such property; and
 - 3) as soon as reasonably possible notify the police in respect of any **damage** caused by theft, attempted theft or malicious persons; and

 - b) in respect of any other **damage**, interruption or interference with the **business** or injury or disease
- ii) no settlement, admission of liability, payment or promise of payment will be made to a third party without the **insurer's** written consent.

b) Insurer's Rights

The **insurer** will:

- i) be entitled to take over the defence or settlement of any claim made against the **insured** or any person entitled to indemnity under this policy and the **insured** will give all assistance as may be reasonably required by the **insurer**; and
- ii) have the right to enter the **premises** where the **damage** has occurred and to keep possession of any of the **property** insured and to deal with the salvage in a reasonable manner but the **insured** will not be entitled to abandon any **property** to the **insurer**; and

- iv) not be bound if the **insurer** elects to reinstate or replace any **property** to reinstate or replace it exactly or completely but only as circumstances permit and in a reasonably sufficient manner and will not in any case be bound to expend in respect of any one item insured more than the sum insured stated in the schedule.

4. Compulsory Insurance

The **insured** must repay the **insurer** any amounts which the **insurer** is required by compulsory insurance legislation to pay out under this policy to the extent that the **insurer** would not otherwise have been liable to make such payments on account of a breach of any of the terms or conditions of this policy.

5. Fair Presentation of the Risk

- a) At inception and renewal of this policy and also whenever changes are made to it at the **insured's** request the **insured** must:
 - i) disclose to the **insurer** all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.
- b) If the **insured** does not comply with clause a) of this condition and the non-disclosure or misrepresentation by the **insured** is proven by the **insurer** to be deliberate or reckless the **insurer** may from the relevant date specified in clause d):
 - i) treat this policy as if it had not existed; and
 - ii) not return the premium paid by the **insured**.
- c) If the **insured** does not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless the cover, meaning this policy or the changes made to it, may be affected from the relevant date in clause d) in one or more of the following ways depending on what the **insurer** would have done if the **insured** had known about the facts which the **insured** failed to disclose or misrepresented:
 - i) if the **insurer** would not have provided the **insured** with the cover the **insured** will have the option to treat the cover as if it had not existed and repay the premium paid for such cover; or
 - ii) if the **insurer** would have applied different terms to the cover the **insurer** will have the option to treat this policy as if those different terms apply; and/or
 - iii) if the **insurer** would have charged the **insured** a higher premium for providing the cover the **insurer** will charge the **insured** the additional premium which the **insured** must pay in full.
- d) Clauses b) and c) apply with effect from inception, renewal or the date of the changes, depending on when the non-compliance occurred. The **insurer** may also recover any claims payments which have already been made to the extent that the cover under which such payments were made is being treated as if it did not exist or as if it had been subject to different terms under which the claim would not have been payable.
- e) Where this policy provides cover for any person other than the **insured** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession the **insurer** will not invoke the remedies which might otherwise have been available to the **insurer** under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular **insured** person other than the **insured**.

Provided always that if the person concerned or the **insured** acting on their behalf makes a careless misrepresentation of fact the **insurer** may invoke the remedies available to the **insurer** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

6. Fraudulent Claims

If the **insured** or anyone acting on the **insured's** behalf:

- a) makes a fraudulent or exaggerated claim under this policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this policy for loss or damage which the **insured** or anyone acting on the **insured's** behalf or in connivance with the **insured** deliberately caused; or
- e) realises after submitting what the **insured** reasonably believed was a genuine claim under this policy and then fails to tell the **insurer** that the **insured** has not suffered any loss or damage; or
- f) suppresses information which the **insured** knows would otherwise enable the **insurer** to refuse to pay a claim under this policy

the **insurer** will be entitled to refuse to pay the whole of the claim and recover any sums that the **insurer** has already paid in respect of the claim.

The **insurer** may also notify the **insured** that the **insurer** will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If the **insurer** terminates this policy under this condition the **insured** will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of the **insured** this condition should be read as if it applies only to that insured person's claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

7. Increase in Risk

The **insured** must notify the **insurer** as soon as possible during the period of insurance if there is any change in circumstances which materially increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change the **insurer** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to the **insurer** then the **insurer** may no longer be able to provide the **insured** with cover.

If the **insured** does not notify the **insurer** of any such change this policy may be affected in one or more of the following ways depending on what the **insurer** would have done had the **insurer** known about the change in circumstances:

- a) if the **insurer** would not have continued to provide the **insured** with any cover the **insurer** may treat this policy as if it did not exist from the date of the change in circumstances; or
- b) if the **insurer** would have applied different terms to the cover the **insurer** may treat this policy as if those different terms applied from the date of the change in circumstances; and/or
- c) if the **insurer** would have charged the **insured** a higher premium for providing the cover the **insurer** will charge the **insured** the additional premium which the **insured** must pay in full.

8. Long Term Agreement

This condition will be applicable separately to each part of this policy unless otherwise stated in the schedule.

In consideration of a discount being incorporated in the premiums on parts of this policy the **insured** undertake to offer annually the insurance under each such part on the terms and conditions in force at the expiry of each period of insurance and to pay premiums in advance it being understood that:
